

If a child lives with criticism
He learns to condemn;
If a child lives with hostility
He learns to fight;
If a child lives with ridicule
He learns to be shy;
If a child lives with shame
He learns to feel guilty.

BUT

If a child lives with tolerance
He learns to be patient;
If a child lives with encouragement
He learns confidence;
If a child lives with praise
He learns to appreciate;
If a child lives with fairness
He learns justice;
If a child lives with security
He learns to have faith;
If a child lives with approval
He learns to like himself;
If a child lives with acceptance and
friendship
He learns to find LOVE in the world!

Preschool Purpose

In the GUMC Preschool program, the children explore God's wondrous world. They experience social, emotional, physical, intellectual and spiritual growth through play and exploration. We enable our children to develop a genuine love of learning and self confidence to achieve personal success. We strive to instill a sense of community with our awareness of others needs.

We achieve this by providing our children the appropriate space, guidance, structured freedom and quality materials in an atmosphere of Christian love.

These are some of the Christian practices we learn: love, friendship, sharing, caring, forgiveness, song, laughter, praise, respect, prayer, cooperation, helping, patience, gentleness, kindness, hospitality and play.
