

## GUMC Preschool COVID-19 Safety Protocols for our 2020 Class

**Classes in our building will** have limited activities during the school day and no more than 30 students will be present during school hours; we are enrolling no more than 30 students

**To ensure proper social distancing,** class size will be limited to 12 students per class, and classes will be staggered

**Teachers and other adults present are required** to wear a mask on premises (for students, we know it would be difficult)

**Play objects (toys)** will be divided into 2 groups so that a “clean” set of objects can be quickly replaced by disinfected ones for the next class; all objects and surfaces to be disinfected after use

**Proper handwashing & sanitizing** will be stressed, and students also will be instructed as to how to wipe down and sanitize equipment after each use

**Students will be required to provide** some supplies of their own to avoid sharing. A detailed list will be provided, but will include such non-disposable items as markers, safety scissors, crayons, and pencils

**Due to government restrictions** and recommendations, these protocols could change at any time; we will always follow all applicable governmental rules and recommendations

I appreciate your understanding and cooperation in our quest for safety for everyone. Please let me know if you have any questions.

Bob Whitson, Preschool Board Chairperson
